Re: PM-1319 (Taiwan)
Application No. 78106089

Dear Beverly:

Enclosed is a copy of a draft letter instructing John Bass on the response for this case. The draft includes the information provided by Chuck Hayward so far although, as I told Jim yesterday, I still hope to get Chuck to do the calculations for the truly pointed case as well.

Please review the draft with Jim and let me know if, except for the possible addition of the other calculations referred to above, it can be sent.

Very truly yours,
